

FROM THE FAMILY of
FRANK CARRIGAN

To The Holden Fire & Ambulance Squad.

I wanted to thank ALL of you for
your always compassionate &
professional care you gave dad every time
you were called. You treated him so
well and always acknowledged he was a
retired firefighter which meant a lot to him!
Dad passed away on April 4th and we had
a beautiful celebration of his life.

Thanks again for ALL you do!

Kathy Carrigan Massey
