For the Entry Doors and Mid Room location, three teams are listed at 6:45. Please work together to swap out as needed until the end of calling hours.

Casket

One Member at each end at Parade Rest. Enter as a team to swap out. Both teams come to attention, hold for a few seconds, swap out, no salute.

Entry Doors

Work the doors for people entering and leaving. Welcome them on arrival, thank them for coming when leaving. Teams can just swap out, no formal method to swap needed. Work from inside or out based on temperature and preference.

Mid-Room

This will be an area near the sign in book. More detail once we see the set-up. Stand at Parade Rest. Enter as a team to swap out. Both teams come to attention, hold for a few seconds, swap out, no salute.

Let C2 know if you can't fill the assignment or need to swap a time. There is a little flexibility but not too much. The garages out back of Miles will be set up as a staging area, coffee etc.

Thank you all for your help.
