

It seems like I've been saying
it a lot lately but it's true:
There are no words. Thank you
just doesn't seem to cover all you
all have done for my family.

Just know that Steven loved being
in your family. My kids consider
you all family as do I - an amazing
family. We love you all.

With love & appreciation,

Jen, Ethan, Molly
+
Owen

Your kindness
really made a difference...
Your thoughtfulness
really touched my heart...
The gratitude I feel
really can't be
put into words.

P.S. - Please stop by anytime esp.
if you see the kids outside -
they would never tire of it. ♡
