

To the Holden Fire Dept.,

I want to thank all the EMT's and fire personnel who responded to my 911 call on July 13. They were so professional and great guys.

Holden Fire Department has an excellent group of men whom we are proud of.

With gratitude
for all you do.

With appreciation
for all you are.

Thank you all for your
service to our community.

God bless you.

Susan King, apt. F3
