

my heart has been touched  
by your generosity and  
idea to have a granite stone  
that was part of a town  
building or old Fire station,  
dug up, inscribed and placed  
at Trout Brook where the benches  
& tree are for Steve & Rich  
Dee & Jimmy.

The fire dept was the biggest  
part of Jimmy's life since he was  
2. 17.

To have this stone inscribed  
the way it is - is perfect!  
I appreciate the time  
and money & thought that went  
into it. I have a picture of this  
stone on my phone that Eric sent

me when it was completed.  
Everytime I show it to family &  
friends, I am reminded of the  
Void in my life but also

I'M SO THANKFUL FOR YOU! Ahh!

reminded that Jimmy was a  
part of your lives and now  
many of you are part of my  
life. How does the saying  
go, "pay it forward" and that  
pertains to all of you for your  
ongoing contact, help when I  
need it and kindness. It  
warms my heart to know how  
much you respected & loved  
me!

Thank You,  
Fondly,  
Sinda Berg
