The Holden Fire Department will be sponsoring a seminar:

Surviving a Fire - Seconds Count

This free seminar will be presented at the Holden Senior Center on Thursday, December 8th at 6:00 pm.

The first portion of the seminar will discuss smoke alarms, escape plans, and actions that can be taken to quickly evacuate a burning building.

We plan to have electricians, knowledgeable in current smoke alarm requirements, on hand to answer questions from those in attendance.

The second portion will deal with residential fire sprinklers. We are inviting representatives from companies that install and maintain residential fire sprinklers to answer questions from those in attendance.

Light refreshments will be served.

If you would like to attend please send an email indicating how many in your party will be attending to: **Holden_Fire@Holdenma.gov**

Thank you,

John Chandler, Chief
