6:30PM

**Receive your \$5,000 NO-COST life benefit**

Exclusive military coverage extended to First Responders also available.

Every First Responder and staff is entitled to a \$5000 life benefit at no cost as a "Thank You" from AFBA for putting your lives on the line. This no-cost benefit is provided with absolutely no strings attached and is available up to age 60. This policy has to be filled out each year. Additionally, each employee has an opportunity to elect additional coverage at a very low cost just as we have provided military personnel since 1947, ranging from \$50,000 to \$500,000. You can elect coverage on your spouse and children as well without their presence or signature. These policies contain zero exclusions and include a \$40,000 college scholarship paid to the children or spouse in the case of a line of duty death. Example of rates below-

Age	\$50,000 of Coverage	\$100,000 of Coverage	\$150,000 of Coverage
18 – 44 Years Old	\$8.50/Month	\$17.00/Month	\$25.50/Month
45 – 59 Years Old	\$17.00/Month	\$34.00/Month	\$51.00/Month

Age 60+: We have a product that goes to age 121 and cost never increases. We will discuss your options one-on-one.
