

2/25/17

Many thanks to the Holden
Fire Department for their
assistance at my mother's home,
47 Woodland Rd., last week. It
was minor, smoke + carbon monoxide
detectors, but a major problem
for me. I so appreciate your help
especially the receptionist at
the office desk + the firefighter
Chapin. Caring for an elderly
parent is difficult and your
response, action + concern made
a huge difference.
Always will love and miss
living in Holden

Sincerely,
Gudq Doctor Crossier
