

Celebrate National EMS Week with CMEMSC

Tuesday May 22

Free Continuing Education Credits

Stop in and grab a bite to eat and some con-ed credits. Classes will run throughout the afternoon including:

*** Region II CMED Operations**

Tour the CMED center and learn what happens on the other end of the radio

*** Region II AmbuBus**

Get hands on practice using the Region II ambulance bus

*** MCI Triage**

Brush up on your MCI Triage in a fun and competitive game

*** Help I can't breathe! Difficult airway lab 5:00-6:30pm**

Doctors from UMass University will be presenting an airway lecture with practical skills lab on our AirMan Simulator. You **MUST** register for this class by email (tdixson@cmemsc.org) or calling the office: 508-854-0111.

Take one class or stay for them all.

Lunch and Ice Cream will be provided.

361 Holden Street, Holden MA 01452
