Dear Chief Hall

Watching the coverage the Anniversary of 911, I was reminded not only of the incredible destruction and pain of those horrendous acts of violence and terror, but also of the bravery and selflessness of the first responders. What was true on that day and its aftermath is very true to this day in every community across our great nation. We are especially indebted to all those who risk their lives to provide for our safety and wellbeing within our own community.

As a sign of our community's gratitude, we are having a Mass of Thanksgiving and Blessing for First Responders and their families on Sunday, September 30 at 10 am. It would be an honor for our Parish Family if you were able to join us on that day. Please extend this invitation to your entire staff. Everyone is welcome regardless of religious tradition.

Once again thank you and all those you work with for your loving service to our community. As always, if there is anything I can do to be of service to you, please feel free to contact me.

With gratitude and blessings,

A handwritten signature in blue ink that reads "Father Tim".
