To All,

It's that time of the year again!

Mike Himmer and I will be collecting dues for the Massachusetts Call Volunteer Firefighters Association/ MCVFA. Tomorrow's training would be a great opportunity to hand those in. If you are a new member stop by and see me for an application form tomorrow before or after training. Below I have attached some links for the Mission statement, member benefits and a photo of dues pricing and qualifications. This program is for all Active and/or Retired. If you have questions about eligibility feel free to contact us.
