# HAPPY THANKSGIVING

**I hope everyone has a great  
Thanksgiving Holiday!**

**Congratulations are in order for FF Karl Doane. Over the weekend, Karl successfully completed the testing requirements for his Paramedic Certification. Good luck and we look forward to seeing what you can do in your new role!**

### **Vehicles**

- 1. Work has continued on the specifications for the Homeland Security Pickup with the vendors and MAPC. The quotes are in and we are now in a holding pattern to see what the timeline will be.**

### **Training**

- 1. We will be hosting the MFA MTU trailer on January 21-22. The class is scheduled for 8-4 both days and sign ups need to be done through the Academy LMS system. This is a good live fire prop and excellent training to sharpen your skills. Any questions in how to sign up, please contact an officer.**

### **Stations**

- 1. Adams Road: The new DPW is rounding the corner to the finish line with phones and computers being installed. Should not be to long before they are able to fully move in.**
- 2. With winter upon us, please make sure to close the apparatus bay doors behind you when leaving on calls at both stations and especially the Station 2 ambulance annex building.**
