

ZOLL® VENTILATION SUMMIT

# VENTILATION SIMPLIFIED™

Hosted by Uxbridge Fire Department

A one-day program offered November 1 and 2, 2023

Join us for the ZOLL Ventilation Summit. This one-day program will be offered November 1st and 2nd, 0900–1200. Lunch will be provided.

## Mechanical Ventilation:

It is time to take care to the next level by changing the way the EMS and Fire community views mechanical ventilation. Join us for an in-depth training on the applications of mechanical ventilation in a pre-hospital setting.

## Non-invasive Ventilation:

Learn how to improve patient care through the use of non-invasive ventilation.

## Hands-on Scenario-based Training:

In addition to discussing mechanical ventilation, we will learn about the practical application of providing high-quality care to respiratory patients.

### Location:

Uxbridge Fire Department  
31 S Main Street  
Uxbridge, MA 01569
