

# Region 2 EMS

## MCI Communications Class

Any Mass Casualty event is going to be chaos. Be prepared to organize and manage it so you can Do the Greatest Good for the Greatest Number of Patients. This class offers simple and easy to implement strategies and tactics following the Region 2 MCI plan. Coordination among agencies is easier when we are all following the same plan.

Join us for an interactive class that will get you thinking and give you an opportunity to practice in a tabletop exercise.

Registration is encouraged for planning purposes. [Click HERE](#) or scan the QR Code.
