

ZOLL® VENTILATION SUMMIT

VENTILATION SIMPLIFIED™

Hosted by UMass Memorial Health

A one-day program offered June 18 and 19, 2024

Join us for the ZOLL Ventilation Summit. This one-day program will be offered June 18th and 19th from 9:00 a.m. to 2:00 p.m. Lunch will be provided.

Advanced Airways and Mechanical Ventilation:

It is time to take care to the next level by changing the way the EMS and fire community views mechanical ventilation. Join Michael Dion for an in-depth training on advanced airways, including the use of non-invasive ventilation in the pre-hospital setting.

Hands-on Scenario-based Training:

In addition to discussing advanced airways and mechanical ventilation, we will learn about the practical application of providing high-quality care to respiratory patients.

Ventilation Simulation Lab:

Experience the Z Vent® ventilator in action using preserved inflatable swine lungs.
