Re: 9/11 Never Forget Mobile Exhibit

Chief,

We have the 9/11 Never Forget Mobile Exhibit coming to the Fitchburg Airport, 567 Crawford St. Fitchburg MA 01420 on September 6th and 7th, 2025. This event will run both days from 1200 hrs. to 1800 hrs. Tours of this amazing exhibit are given by first responders who were at the scene of Box 8087 and have eyewitness accounts of the event. It is hosted by the Tunnel to Towers Foundation.

This is an amazing event and we are lucky to have it brought to the area. That being said the Tunnel to Tower Foundation and its staff are hoping that we can have fire apparatus staged at the airport for adults and children to look at after they see the humbling exhibit. We are trying to organize fire departments in the area to do shifts, these shifts would be 2 or 3 hours at a time and departments can send one or two pieces of apparatus. If any department can do one shift a day or one shift each day would be a tremendous help. You can contact Lt. Mike Gelinas Engine 4 Group 2 @ (978) 602-0143 or myself, Deputy Chief Patrick J. Roy Group 1 Deputy Chief @ (978) 833-6359.

The heroes of 9/11 deserve this amazing humbling recognition! Please pass this letter on to any department that you think might be interested even privately owned apparatus and antiques. Thank you for your time!

Respectfully,

Deputy Chief Patrick J. Roy

Lieutenant Mike Gelinas
