

Town of Holden

Weekly Road Construction Update

Holden

Week of July 15th 2024

The following are the planned major work activities by Town of Holden Departments. The work schedule is subject to change based upon weather and other factors. Activities may be added or subtracted dependent on those factors. Neighborhoods directly impacted by the planned work will be separately notified by the Town's CodeRED system, and updates may be found on the Town's Facebook page. Questions regarding Department of Public Works activities may be directed to dpw_info@holdenma.gov or (508) 210-5550. Questions regarding Light Department activities may be directed to (508) 210-5400.

Department of Public Works

Highway Division

- On Monday 7/15 to Friday 7/19 the Highway Division will continue making drainage repairs on Mt. Pleasant Ave. The road will be closed to through traffic from Main St (Route 122A) to Princeton St.

Water & Sewer Division

- Water & Sewer Division has no planned closures for the week of July 15th.

Light Department

Line Division

- Various locations, but no road closures are currently scheduled

Forestry Division

- 7/15-19 GML Contractor will continue trimming on Malden St. w/details
- Various locations, but no road closures are currently scheduled

Known Outside Agency and Private Work

MassDOT (Main Street, Route 122A)

- The grinding of the road is expected to start on Sunday, July 21st. Work will be performed at night, Sunday night through Thursday night for +/- 7 shifts total. They will be starting at the Holden State Police Barracks proceeding North/West on Main Street (Route 122A).

MassDOT (Shrewsbury Street-Doyle Road-Chapel Street-Holden Street Project)

- E.H. Perkins will continue working on Doyle Road between Shrewsbury Street and Brattle Street. Doyle Road traffic will be detoured in both directions via Brattle Street and Shrewsbury Street.
- E.H. Perkins may continue drainage work on Shrewsbury Street in the vicinity of Mountview Middle School. Outbound (eastbound) traffic may be detoured onto Holden Street to Brentwood Drive to Brattle Street.
- Drainage work may also occur along Holden Street and Chapel Street.
- Concrete prep work may begin on Wachusett Street between Lincoln Avenue and Shrewsbury Street, resulting in a detour to Lincoln Avenue.

Eversource Gas (Shrewsbury Street)

- The contractor for Eversource Gas will continue working in Holden Street near Shrewsbury Street. The expectation is to maintain two-way traffic on Holden Street with a lane shift.
