

Town of Holden

Weekly Road Construction Update

Week of September 23rd 2024

The following are the planned major work activities by Town of Holden Departments. The work schedule is subject to change based upon weather and other factors. Activities may be added or subtracted dependent on those factors. Neighborhoods directly impacted by the planned work will be separately notified by the Town's Rave Alert and Smart 911 system, and updates may be found on the Town's Facebook page. Questions regarding Department of Public Works activities may be directed to dpw_info@holdenma.gov or (508) 210-5550. Questions regarding Light Department activities may be directed to (508) 210-5400.

Department of Public Works

Highway Division

- Highway Division has no planned closures for the week of September 23rd.

Water & Sewer Division

- Water & Sewer Division has no planned closures for the week of September 23rd.

Light Department

Line Division

- The Line Division will be working on Doyle Road and Shrewsbury Street beginning Monday, September 23rd. From 10:00 pm Monday until 6:00 am Tuesday, during the scheduled power outage, traffic will be detoured through Birchwood and Brattle in both directions.
- Various locations Tuesday through Friday. No road closures are expected.

Forestry Division

- Tree crews will be working on Lovell Road on Monday and Friday and on Newell Road on Tuesday and Thursday. No road closures are expected.

Known Outside Agency and Private Work

MassDOT (Main Street, Route 122A)

- Pavement markings layout, recessing and application will occur Sunday evening September 22nd through Thursday evening September 26th.
- Daytime crews will be working on punch list items in established work zones.

MassDOT (Shrewsbury Street-Doyle Road-Chapel Street-Holden Street Project)

- Wachusett Street remains closed between Lincoln Avenue and Shrewsbury Street, resulting in a detour to Lincoln Avenue.
- Sidewalk and curb work will continue on the south side of Shrewsbury Street from Main Street to Holden Street and beyond to Doyle Road. Two-way alternating traffic around the work zones will be maintained whenever possible, but various eastbound and westbound detours may be used throughout the week.

Eversource Gas (Shrewsbury Street)

- R.J. Devereaux, the contractor for Eversource Gas, will be working nights (7:30 pm to 5:30 am) on Main Street at the railroad bridge and at the intersection of Main Street and Shrewsbury Street.
