

Town of Holden

Weekly Road Construction Update

Week of September 1st, 2025

The following are the planned major work activities by Town of Holden Departments. The work schedule is subject to change based upon weather and other factors. Activities may be added or subtracted dependent on those factors. Neighborhoods directly impacted by the planned work will be separately notified by the Town's Rave Alert and Smart 911 system, and updates may be found on the Town's Facebook page. Questions regarding Department of Public Works activities may be directed to dpw_info@holdenma.gov or (508) 210-5550. Questions regarding Light Department activities may be directed to (508) 210-5400.

Outside Agency and Private Work

MassDOT (Shrewsbury Street-Doyle Road-Chapel Street-Holden Street Project)

- Beginning Tuesday, September 2nd, crews will be installing curb on Shrewsbury Street, Doyle Road, and Brattle Street. Two-way traffic is expected to be maintained, but a Brattle Street detour may be utilized.
- The shared use path along Shrewsbury Street will be fine graded in preparation for paving. No detour is expected while this work is performed.

Ripple Fiber Broadband Project

- Crews will continue subsurface conduit installation in the area between Shrewsbury Street, Bullard Street, Wachusett Street, Malden Street, and Main Street.
- Crews will continue subsurface conduit installation in the area between Brattle Street, the Worcester City line, Shrewsbury Street and the West Boylston Town line, including streets off Doyle Road.
-

Department of Public Works

- The Highway Division will be repaving sidewalks along Mount Pleasant Avenue. Mount Pleasant Avenue will be closed between Princeton Street and Main Street while crews are working.
- Water & Sewer Division has no planned closures for the week of September 1st.

Light Department

- Line Division has no planned closures for the week of September 1st.
- Forestry Division has no planned closures for the week of September 1st.
