

# **Town of Holden**

## **Weekly Road Construction Update**

### **Week of September 8th, 2025**

The following are the planned major work activities by Town of Holden Departments. The work schedule is subject to change based upon weather and other factors. Activities may be added or subtracted dependent on those factors. Neighborhoods directly impacted by the planned work will be separately notified by the Town's Rave Alert and Smart 911 system, and updates may be found on the Town's Facebook page. Questions regarding Department of Public Works activities may be directed to [dpw\\_info@holdenma.gov](mailto:dpw_info@holdenma.gov) or (508) 210-5550. Questions regarding Light Department activities may be directed to (508) 210-5400.

#### **Outside Agency and Private Work**

##### **MassDOT (Shrewsbury Street-Doyle Road-Chapel Street-Holden Street Project)**

- The shared use paths along Shrewsbury Street and Doyle Road will be fine graded in preparation for paving. Alternating wo-way traffic is expected to be maintained. No detour is expected while this work is performed.

##### **Ripple Fiber Broadband Project**

- Crews will be excavating for conduit crossings in Holden Street. Alternating wo-way traffic is expected to be maintained. No detour is expected while this work is performed.
- Crews will continue subsurface conduit installation in the area between Shrewsbury Street, Bullard Street, Wachusett Street, Malden Street, and Main Street.

#### **Department of Public Works**

- On Monday and Tuesday, the Highway Division will be repaving sidewalks along Mount Pleasant Avenue. Mount Pleasant Avenue will be closed between Princeton Street and Main Street while crews are working.
- Water & Sewer Division has no planned closures for the week of September 8th

#### **Light Department**

- Line Division has no planned closures for the week of September 8th.
- Forestry Division has no planned closures for the week of September 8th.
